Description

SHARE THE RIDE THROUGH TOUGH TERRAINS

ALTERRA 600 TRV EPS

With the Alterra 600 TRV EPS, you'll find a full-sized, two-rider ATV equipped with a powerful 600cc, 45HP engine, 11.5-inch ground clearance, 25-inch tires with steel wheels, driver accessible storage, 300-lbs of cargo capacity, and everything else you'll need to explore more together. Your Alterra 600 TRV EPS comes equipped with standard steel front and rear racks, a front bumper, and front tow hooks, so you're fully equipped to go find the ultimate views.

Explore More Together

If you want an ATV that offers more power, control, balance, comfort, and space for two riders, the Alterra 600 TRV is your perfect match. With a powerful 600 class engine, 25- or 26-inch tires, and electronic power steering, you're equipped with everything you need for the adventure of a lifetime. Now available with our 2-up seat, this chassis offers a lower center of gravity for more control and a longer wheelbase for extra comfort. You'll see that the only thing better than riding an Arctic Cat ATV is bringing someone along for the ride.
